<p><b>Things to watch out for.....</b></p> <p>Keep a close eye on our Nursery Gardens as we are developing the outdoors as part of our School Development Plan. We hope to have a new growing area with a greenhouse very soon! If we have any green fingered family members who would like to help us, please let a member of staff know. Work should be starting shortly on a walk in sand pit for our 2-year-old children. We know this will be a great hit!</p>
