Some of the comments from parents-

“Horden Nursery is excellent. Natalie and her staff are so caring about every child. They are willing to talk to families about any concerns they have about a child. The little one would go on a weekend and holidays if she could. It’s the best nursery in the Horden/Peterlee area (I know this as a fact)”

“This nursery is outstanding in the education of our grandson, can’t believe how much he has come on in every way since joining this nursery. All teachers are pleasant and helpful. We couldn’t ask for more”

“We are very grateful for all of your care and attention. If only you had a Primary School with Natalie as the Head, we would stay with you all. All the staff are great”

“We are both delighted with how well our daughter is doing at nursery and we are so pleased with the progress she continues to make. We find that all staff are very helpful and knowledgeable. We love seeing the updates on the learning journals or class dojo of what she has been doing. We can’t thank or praise the staff enough of how brilliant they are. Overall we are so proud that our daughter is part of Horden Nursery School”

“Both my children have attended Horden Nursery School and as a result of this they have both developed as a person and intellectually. I could not thank the staff here enough for all their hard work, patience and gratitude. My son has benefited so much coming from 2 years old, he is now so independent and confident. Thanks to all the staff in his journey for showing him so much care and compassion and just being fabulous at what you all do. There are not enough praises in the world to show how grateful I am to have had such an amazing nursery school”

“The only nursery I would trust with my children. All staff are very approachable and always give updates on what my son has been doing throughout the day. He has made fantastic progress since starting nursery and we could not thank the nursery teachers enough”

“Fantastic Nursery School, Horden Nursery is well respected among the local community and is a credit to our village”
